

(Aug. 7, 8 & 9; Aug. 14, 15 & 16)

August seems like a long way off with June just beginning, but we all know how fast the summer slips away SO please give some prayerful thought to how you can help with the summer tutoring program this year!

Lots of Ways to Help!

- #1: Prayers are always needed for the success of the program!
- #2: Active Participation will be needed: be a math tutor, tutoring assistant, enrichment activity volunteers (assist, provide or lead an activity), help prep/donate materials, etc.
- #3: Support the program by donating “snack-in-a-sack” items, promoting the program with friend, relatives, neighbors (K-5 ages), etc.

**Brochures and flyers are available NOW and Sign-up Sheets with specific needs will be available beginning week of June 25th
